

from Backer David Martin  
"I'm skilled in several things; I know arcane type knowledge ...  
I'm good at revealing historic details ... I'm exceptional at  
lying to people (don't worry about it)." -Fenglove

from Backer Sara's Bad Ideas  
"There is no way that should've worked." -Sara

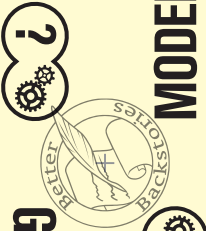

Technology always seems to  
malfunction around you. From  
scissors to mainframes, the darn  
things just don't work right.

You have a way with  
mechanical and/or electrical  
things. Machines got workings  
and they talk to you.
